CANDIDATE BIOS

CLIFF SKAUGE

Hello friends and area Coop members. As you are probably aware, I've lived in Holbein/Shellbrook area most of my life except for twelve years in various Western Canada locations and Prince Albert. I grew up on a small farm at Holbein and live on land my parents owned since the 1930's. I've been a member of the Prince Albert/ Lake Country Co-op for over 47 years and served as a Shellbrook delegate for the last six years.

I have many years of experience in Municipal Government, retail and management. As a local Coop Delegate I hope to promote the Coop movement and bring local issues and concerns forward to the Board of Directors for consideration.

I care about customer service, competitive prices, and I want to make a positive difference to our community.

I ask for your support, as one of the Coop delegates for Shellbrook, and commit to helping our local community and Coop work together to grow and serve the Community needs and events.

ARTHUR VOYER

My name is Arthur Voyer, I am a long time resident of the Shellbrook area and have been a Co-op member for 56 years. I farmed for most of my life, both grain and cattle along with working off the farm for the past 25 years.

I was employed as a tire repair man and delivered fuel. I started my own tire repair business 10 years ago and it is still an active business. I have been married for 43 years and my wife Janice and I have 1 son Austin and we are raising our granddaughters, 9 & 10 the children of our late son, Lindsay.

Throughout these years I have been active on many boards. I served on the Credit union board, as an RM councillor and as the Sturgeon Lake Regional Park chairman. I also served on the Shellbrook school board which lead me to a position on the Sask Rivers Division Board as a trustee. I feel my experience on these boards along with many years of working with people in all walks of life would be a tremendous asset to me and the public that I would serve as a Lake Country Co-op delegate.

I would appreciate your support in the upcoming election. I genuinely feel I could represent the average person as your delegate and do a good job for the public and the board.
